A-Reputation for Excellence

"Best Buy" in Public Education. "Smiles abound as the . . . school's endowment and reputation soar," said *The Baltimore Sun* in a front page story. *Money* magazine ranked SSU a national "best buy" in public education.

Applications triple. For 12 straight years the number of applications here has increased, countering national trends. This fall the campus received over 4,000 applications for 650 openings.

SATs up nearly 200 points. In the same time period, SAT scores rose to among the highest in Maryland's public university system. The average 1992 freshman at SSU has well over 1000 on the SATs and a better than B average in high school.

\$45 million investment in buildings and grounds. Splendid new architecture and a beautifully landscaped campus in the heart of Maryland's Eastern Shore have made us one of the Mid-Atlantic's most attractive universities.

Highest endowed four-year public comprehensive university in Maryland. SSU's \$10 million plus endowment means more scholarships, student travel and research funds, and more visiting scholars and artists' programs. The University has been listed in an exclusive group of 300 schools with the largest endowments for their size.

Coaches

Dawn Chamberlin • Head Coach

Now in her sixth year as head coach of the Salisbury State University field hockey program, Dawn Chamberlin already ranks among the most successful coaches in the school's history. During her first five seasons, the Sea Gulls have made five straight trips to the NCAA Tournament and two appearances in the Final Four, and have produced 10 national All-Americans and 26 all-region players. SSU's 67-22-7 record under Chamberlin translates to a winning percentage of .697. The Gulls finished 11-6-1 in 1991 as Chamberlin was honored as the CFHCA South Region Coach-of-the-Year for the second straight season.

Chamberlin is a 1985 graduate of the University of Iowa, where she was a four-year letterwinner on the highly successful field hockey team. The Hawkeyes won the Big Ten championship outright from 1981 to 1983, before sharing the top spot in 1984. The '84 squad finished second in the nation. Chamberlin, Iowa's co-captain as both a junior and senior, was also a member of the national indoor championship team and was selected to the All-Big Ten team during her senior year.

While at Iowa, she also received the Women's Intercollegiate Athletic Academic Award (1982-1985) and the Physical Education Academic Achievement Award (1983-1985). Chamberlin, who also coaches the SSU women's lacrosse team in the spring, earned her Masters of Education from Salisbury State in 1987. She also served as SSU's assistant coach for field hockey in 1985 and 1986.

SSU Field Hockey— A Tradition of Success

During the past decade, Salisbury State has emerged as one of the premier field hockey programs among NCAA Division III institutions. The Sea Gulls are one of just five schools to have captured the national championship since its inception in 1981, turning the trick with an undefeated 21-0 campaign in 1986. Since their first visit to the NCAA postseason tournament in 1984, the Gulls have become a regular contender for the national title, with a current string of eight straight appearances entering 1992.

In addition to the national championship in 1986, SSU has advanced to the Final Four on two other occasions, finishing as a national semifinalist in both 1987 and 1988. The Gulls have been national quarterfinalists in each of the past three seasons, losing in two of those three years to eventual national champion Trenton State in the round of eight.

The Sea Gulls have notched nine consecutive winning seasons, and finished in the top ten in the final rankings in each of those seasons. SSU has achieved at least 11 wins in 10 of the last 11 seasons. In Dawn Chamberlin's five seasons as head coach, the Sea Gulls have averaged 13.4 wins per year, and have finished third in the nation twice.

Any quality program is comprised of talented individuals, and the Sea Gulls have certainly had their fair share in recent years. Salisbury State is well represented on the national and regional all-star teams each season. During Chamberlin's first five seasons, the Gulls have produced 10 national All-Americans and had a total of 26 players selected to the all-South Region team. Additionally, Chamberlin has been honored as the region's Coach-of-the-Year in both 1990 and 1991.
